

**Date Reviewed: June 2022**

**Approved by BOD: June 2022**

**Ratified by Membership: October 22, 2022**

- (1) The Board shall set the fees for the Association.
- (2) A sixty-day notice of intention to change fees shall be mailed to each member to the address on file with the Association or notice may be published in the Association newsletter sixty days in advance of the proposed changes in fees.
- (3) There shall be a fee for initial registration and for renewal of registration if and as prescribed in the policies.
- (4) There shall be a processing fee for all nurses who apply for registration in the Association if and as prescribed in the policies.
- (5) There shall be a verification fee for members who require verification of registration.
- (6) There may be penalty fees as prescribed in the policies.
- (7) If an associate member applies to have an active membership within the membership year, the member shall pay an adjusted fee.
